

## Report to Rugeley Town Council

Meeting – 4<sup>th</sup> October 2023

### Council Property Security

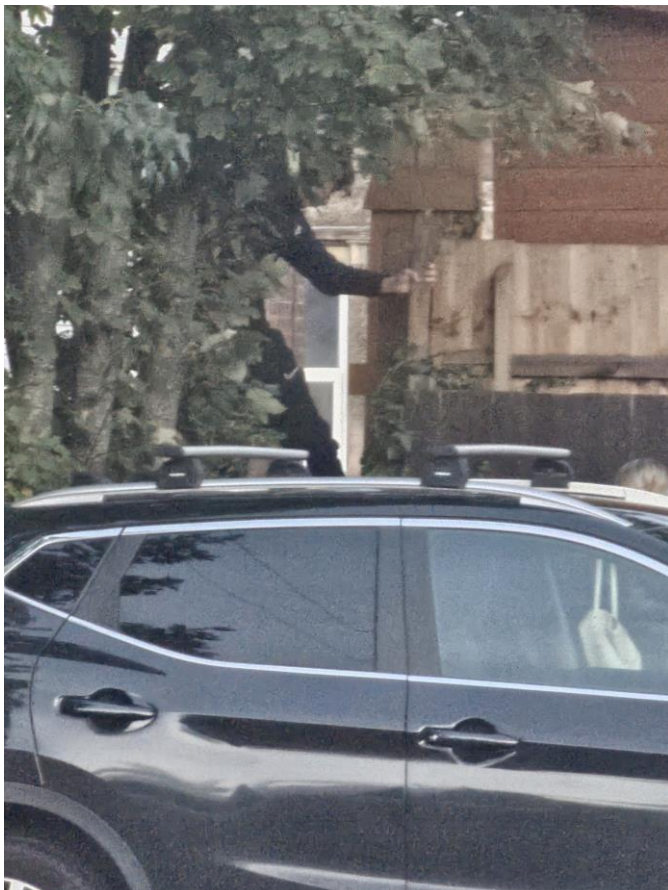

The email below has been received from Cllr Cooney on 21<sup>st</sup> September

*When I came into the meeting last night (20<sup>th</sup> September), there were around 10 teenagers coming over from the YMCA and using it as a shortcut to get to Anson Street.*

*I feel we need to create a barrier to stop them jumping over the wall where there is a sheer drop. The garage owner has put some rather horrible looking metal fencing and I think we need the same.*

*If we don't do anything we are opening ourselves up to a claim if one of them gets hurt.*

In addition to this incident, on 27<sup>th</sup> September they had climbed our scaffolding and were on the roof of the RTC building
