

Item 44  
Newsletter

### **Background**

In November 2021, Cllrs gave approval to fund the Winter and Spring edition of the new Rugeley Record Newsletter. These newsletters have now been printed and delivered.

The latest newsletter cost £778 to print and £320 for delivery for 11,000 copies.

The current annual budget for the Newsletter is £4,160 which, given the increasing costs of materials will be insufficient for the coming year.

### **Proposal**

It is proposed that Cllrs consider an annual budget of up to £5,000 for the newsletter.
