

### **Cocktails on the Bar.**

The pumps have now been installed and ready for sale. The cocktails will be sold at an introductory price of £3.50 each.

### **Roofing Repair**

The leak on the roof has now been repaired and ceiling tile replaced. We are still waiting for the quotes for the flat roof replacement on the Landor Suite

### **Air con**

After having AA Cooling out several times and having a new part fitted, we still have no heating in the bar area/dressing rooms and Landor, AA Cooling can not get to the root of the problem and advise us to get a Samsung engineer out for diagnosis at £600.00 per day, An alternative company have been contacted who have quoted £450 + VAT for labour to investigate the problem. This company have been booked.

### **Information Screen in bar**

We have now got the screen set up on the wall in the bar area. We are currently promoting upcoming events at the Rose Theatre but will look to link with other local theatre promoting their venues and getting them to promote the Rose Theatre. We also hope to promote local resident theatre groups to encourage more people to join and also promote other social events in the theatre such as the afternoon teas and the warm hub facility.

### **Pantomime**

The pantomime has been well received by those attending. It was lovely on Tuesday afternoon to welcome residents from local residential and care facilities to the showing along with our Ukrainian visitors and their host families.
