Managers Report

Stock takers Report

The GP is significantly better because you haven't had the ullage and out of date stock this time. The surplus is probably due to coffee sales – theatre manager is going to use the spare till for coffee sales going forward

Air con

Due to illness the technical engineer who visited the theatre before Christmas has been in hospital and the company have struggled to get any information from him, so they are resending another engineer out to obtain the information that is required to repair the system.
